Welcome!

Suddenly it's summer and we are basking in early heat and worrying about drought! Maybe your June is also busy with graduations, Father's Day or weddings.

Here at LCHIP, we are getting ready for the next round of applications for funding, still contingent on the state budget. Applications are due by noon on June 26, 2015. Full details of the application are on the LCHIP website.

LCHIP funding for 2016 and 2017 has achieved support from the full Senate as of June 4. A Committee of Conference is expected to work out differences between the House and Senate budgets.

Thanks to the many legislators who understand the importance of LCHIP funding to their communities and constituents.

Dijit Taylor
Executive Director

LCHIP ROAD TRIP

5th Annual Wyman Tavern Festival, Keene
Saturday, June 20 10 - 4
339 Main St. Keene

The 18th century will come alive at Wyman Tavern in Keene on June 20th.

Enjoy re-enactors, music, food, games, storytelling, and demonstrations of daily life at Wyman Tavern, one of Cheshire County's most historic buildings.

LCHIP Spotlight: 2014 Award Recipients

Photo: Wedding at Flag Hill Winery in Lee. LCHIP assisted with both land conservation and historic preservation in 2004.

The Sanbornton Congregational Church

The Sanbornton Congregation Church was constructed around 1834. The form of the building was strongly influenced by the Federal style but the building's detailing reflected the growing influence of the Gothic Revival style. The church was awarded a 2014 LCHIP grant for $13,233 to repoint the chimney, repair the shutters, construct a new ADA-compliant restroom, and the installation of storm windows.

For more information on the history of the building visit http://www.uccsanbornton.org/history.html.

202 Years of Farming in the Shadow of NH's Majestic Cathedral Ledge

The Lucy Family began settling near the Bartlett and Conway intervals in 1813. Family members still live along West Side Road where generations have enjoyed the stunning views of Cathedral Ledge's soaring buttresses and walls. LCHIP will assist the Upper Saco Valley Land Trust and the Lucy family in protecting 44 acres and an historic barn that make up this iconic NH viewscape.

Durham - Emery Farm
Epping - Watson Academy
Epping-Pawtuckaway to Great Bay
Francestown Town Hall
Gilford - Rowe House
Hancock Hist Society Building
Hancock Meetinghouse
The Hancock Meetinghouse

The Hancock Meetinghouse is a fine example of a Federal style meetinghouse. The windows are a character-defining feature of the building and were the focus of the Town of Hancock's 2014 grant application. The Town was awarded $69,267 to restore eight 16/16 windows, twenty-nine 12/12 windows, the 24 light Palladian window (the tall one with the arch) and an oculus (oval window). The meetinghouse is also one of the few that continue to be shared between town and church.

This building is part of a group of New Hampshire meetinghouses known as the "Templeton Run." Nine churches were inspired by the 1811 Templeton Meetinghouse in Massachusetts. LCHIP has assisted four of the "Templeton Run" meetinghouses.

For more information on the project visit www.hancocknh.org.
Plate at any time - for your new car, for a car that's already registered, or even for a friend!

Visit [www.mooseplate.com](http://www.mooseplate.com) to find out how to purchase your plate.

Income from the Moose Plate program pays for much of LCHIP's administrative expenses. We thank Moose Plate holders for your support!
